NON-INSTRUCTIONAL OPERATIONS

Food Services

The school lunch program shall be an integral part of the total educational program. An attractive, wholesome, well-balanced lunch is offered in each building.

To accomplish this objective with appropriate economy, all administration of the food services program will be coordinated in the office of the Superintendent or his/her designee. Business functions to be centralized will include central purchasing of food and supplies, centrally planned menus, and regular audit of all accounts.

The Director of Food Services, under the supervision of the Superintendent, shall be responsible for ensuring compliance with federal and state nutritional standards and regulations pertaining to applicable grant programs.
