

## **Sign Up/Change Form for the RSD13Alerts Emergency Notification System**

Regional School District 13 has partnered with the Town of Durham in participating in the Everbridge Emergency Notification System. Region 13 has purchased a separate module that will allow us to notify staff and parents of emergency situations such as delayed openings, school closings, delayed buses or road closures.

Please fill out the information below and identify how you would like to be notified with the following choices: email, home phone, cell phone, text message or all four. Please select a minimum of 2 to insure that you have a back-up.
