

BYLAWS OF THE BOARD

Actions by the Board

No action will be taken unless the subject acted upon was listed in the agenda published for that meeting, except that an item of business not included on the agenda of a regular meeting may be considered and acted upon after a two-thirds vote of the members present and voting to add such business to the agenda.

A Board member, who joins the meeting after an item of business has been opened, shall not participate, nor cast any vote, until the next item of business is opened.

The Board of Education shall not adopt resolutions except where such adoption is required by law, or where the intent of the Board is to publish a status position of the Board, as in advising the General Assembly of the Board's position on a proposed law, or commending staff members of other agencies for work well done.

All actions taken by the Board shall be identified clearly in minutes of the Board meeting as provided in Bylaw 9326 Minutes.
