

BYLAWS OF THE BOARD

Board Member Request for Information

Board members who seek additional information are encouraged to work through the standing Board committees to obtain this information. If the information sought by individual Board members is not readily available through the work of the committees, Board members are to coordinate their information requests with the Board Chair to ensure that the information requests submitted to the superintendent of schools, do not overwhelm them so as to distract them from their primary responsibilities.

Bylaw Adopted: October 14, 2015
