

**NON-INSTRUCTIONAL OPERATIONS**

**Safety**

It shall be the responsibility of school personnel to be alert to any hazard within or outside school buildings which may jeopardize the safety of school children, school employees, or the public; and it shall be the responsibility of all school personnel to report promptly to the nearest school authority any condition, incident or suspicion which in their judgment warrants investigation. Nothing stated herein is intended to conflict with the jurisdiction of teachers in supervision of students or the authority of principals in implementing policies of the Board of Education.

Precautionary measures against fire, explosion or other hazards are detailed in the District Crisis Manual located in every classroom.

Precautionary measures for safety of students on streets and sidewalks in the vicinity of school buildings shall be established and observed.

## **NON-INSTRUCTIONAL OPERATIONS**

### **Safety**

Precautionary measures for safety of students within school buildings shall be established and observed. For example, rules established by administrators in charge should:

1. prevent the accumulation of materials, especially in industrial arts shop areas, which are flammable, noxious or otherwise dangerous unless adequate safeguards are provided.
2. keep stage auditorium free of debris. Stage managers shall observe standing instructions to discard anything not part of regular stage equipment within 24 hours following completion of the performance.
3. keep walkways clear of snow or other obstructions and safe for pedestrian traffic at all times.
