

## NON-INSTRUCTIONAL OPERATIONS

### Security of Buildings and Grounds

Buildings constitute one of the greatest investments of the school district and the community. It is in the best interest of students and taxpayers to protect that investment adequately.

Security includes:

1. minimizing fire hazards
2. reducing the probability of faulty equipment
3. guarding against conditions that could cause injury
4. keeping records and funds in a safe place
5. protecting against vandalism and burglary

The Superintendent of Schools is directed to establish such rules and regulations as may be needed to provide for security as outlined above.
