Student Sexual Harassment - Regulation

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors or other physical, verbal or non-verbal conduct or communication of a sexual nature, and any other gender-based harassment, whether initiated by students, school employees, or third parties, when:

1. Submission to the conduct is made explicitly or implicitly a term or condition of a student's participation in school-sponsored activities, or any other aspect of the student's education;
2. Submission to or rejection of the conduct is used as the basis for decisions affecting a student's academic performance, participation in school-sponsored activities, or any other aspect of a student's education;
3. The conduct has the purpose or effect of unreasonably interfering with a student's academic performance or participation in school-sponsored activities, or creating an intimidating, hostile or offensive educational environment.

While an exhaustive list is not possible, the following are examples of specific behaviors that could constitute sexual harassment:

1. Unwelcome sexual invitations or requests for sexual activity in exchange for grades, promotions, preferences, favors, selection for extra-circular activities or job assignments, homework, etc.
2. Any unwelcome communication that is sexually suggestive, sexually degrading or implies sexual motives or intentions, such as sexual remarks or innuendoes about an individual's clothing, appearance or activities; sexual jokes; sexual gestures; public conversations about sexual activities or exploits; sexual rumors and "rating lists"; howling, catcalls, and whistles; sexually graphic computer files, messages or games, etc.
3. Unwelcome physical contact or closeness that is sexually suggestive, sexually degrading, or sexually intimidating.
4. Any other unwelcome gender-based behavior that is offensive, degrading, intimidating or demeaning.

Complaint Procedures

It is the policy of the District to investigate promptly and resolve equitably all complaints of sexual harassment and discrimination on the basis of sex. Victims of sexual harassment shall be afforded avenues for filing complaints which are free from bias, collusion, intimidation or reprisal.

Step I – Informal Level

The complainant may request a meeting to discuss the complaint with the building principal of his/her school in an effort to resolve the matter informally. In the event that the student is uncomfortable, for any reason, with discussing the matter with the building principal, the student may speak with any other administrator regarding the alleged harassment. The principal or other school administrator shall schedule a meeting promptly with the complainant to discuss the complaint, but in no event shall the meeting be held later than fourteen (14) days from the receipt of the meeting request.

Step II – Formal Level

If the complainant is not satisfied with the disposition of his or her complaint at the informal level, he or she may file a formal complaint with the Pupil Personnel Director. A student need not have brought an informal complaint before filing a formal written complaint. Complaint forms may be obtained from the office of the Superintendent of Schools, as well as the office of the building principal. In addition, written complaints may be brought to the attention of a building principal or the Pupil Personnel Director. Any student who is unable to file a written complaint may speak with one of the above mentioned district employees, who will then assist the student in filing a written complaint. Any school employee who receives a complaint of sexual harassment from a student shall inform the student of the employee's obligation to report the complaint to the school administration, and then shall immediately notify the principal and/or the Pupil Personnel Director/Title IX Coordinator.

The written complaint should state the name of the complainant and the date of the complaint, the date(s) of the alleged harassment, the name or names of the alleged harasser or harassers, the name or names of any witnesses, and a statement of the circumstances in which the alleged harassment occurred. All formal complaints must be filed within sixty (60) days from the alleged violation. Upon the filing of a written complaint, the complainant shall be provided with a copy of this regulation.

The Pupil Personnel Director shall schedule a meeting promptly with the complainant to discuss the complaint but in no event shall the meeting be held later than fourteen (14) days from receipt of the formal complaint. Whenever possible, the District will make an effort to respect the privacy and confidentiality of all parties and witnesses to complaints brought under this policy. However, because an individual's need for confidentiality must be balanced with the District's obligation to investigate complaints, the District retains the right to disclose the identity of

parties and witnesses to the extent necessary. Whenever, a sexual harassment complaint is made, the school administration will investigate the complaint or refer the complaint for investigation even if the student does not request any action or withdraws the complaint. Upon completion of an investigation but in no event later than fourteen (14) days after meeting with the complainant, the Pupil Personnel Director/Title IX Coordinator shall render a written decision to the complainant as to the disposition of the complaint. Time lines herein for investigation and resolution of sexual harassment complaints may be extended to ensure a thorough investigation of the complaint.

If the decision results in a determination that sexual harassment has occurred, appropriate actions shall be taken to ensure that the harassment ceases and will not reoccur. Appropriate action may include re-assignment, transfer, and/or disciplinary action up to and including termination of employment or expulsion from school of the harasser. No adverse action will be taken against a student for filing a complaint of sexual harassment.
