

COMMUNITY RELATIONS

Visits to the Schools

The Board of Education and staff of the school district welcome and strongly encourage members of the community and other interested persons to visit the schools.

Building Principals shall:

1. encourage school visitations
2. ensure that public visits will not hinder or disrupt the educational program
3. require all visitors to register in the principal's office upon arrival at the school.

Although Board of Education members are encouraged to visit schools independently, they have authority only in regularly called meetings of the Board of Education, or when delegated specific tasks by specific Board of Education action.
