Superintendent's Proposed 2017 - 2018 Budget

Superintendent's Budget Message Investing in Excellence: Stronger Every Day 2017-2018 Proposed Budget

A comprehensive overview of the 2017-2018 school year is contained in the following pages. Included are: budget assumptions, information on how to read the budget, budget summary, enrollment, staffing, and budget detail.

School budgets should be built upon the premise that the financial resources exist to uphold the overall mission of the district and support the attainment of identified goals. The mission of Regional School District 13, a community that embraces learning, honors tradition, and embraces change, is to ensure that all students will be engaged and ethical lifelong learners and citizens who will thrive, excel, and contribute in an ever-changing, interdependent world by providing challenging, diverse, and nurturing experiences that empower each student to succeed through meaningful partnership with family and community. Inherent in the stated mission is our collective commitment to our students regarding the availability of "challenging, diverse and nurturing experiences". Our district goals bring that commitment to life by translating them into "action steps" that exist at the Board of Education, administrative and staff level. Decisions are made at each level that operationalize our individual and collective commitment to delivering on the pledge that we make through our mission statement.

Over the course of the past three years we have added additional programs and positions, re-written our curriculum in several areas to reflect changes based on the common core state standards and prepare students for the changes in statewide testing, added additional AP and UCONN courses at the high school, created a STEM program at Strong Middle School, closed a school in response to significant declines in enrollment, created a teacher leadership structure in reading/language arts, mathematics and science, provided improved professional learning opportunities for staff, and implemented throughout the district a professional learning community model where student performance data is examined and used to improve teaching and learning. Deliberate planning and work has gone into making improvements in the areas that have the greatest impact on student learning.

The 2017-2018 theme of "Stronger Every Day" identifies what is happening in our organization. Personnel, programs, and practices are in place so that we make deliberate decisions to link these resources to student outcomes. These deliberate decisions contribute to our growing stronger every day throughout our district

Our three goal areas identify our priorities which are student achievement, well-being and engagement. Teachers and staff are focused every day on enhancing student achievement through strong instructional practices at the Tier 1 level while addressing individual student needs through differentiated teaching practices and interventions. We are consistently attentive to students' well-being and in particular have developed greater resources for those students who are dealing with anxiety in the school setting. Finally, our attention to student engagement is organized through the lens of the 4C's of 21st Century Learning: communication, collaboration, critical thinking, and creativity.

The proposed gross operating budget for the 2017-2018 school year is \$37,600,279 an increase of \$894,678 over the current year's budget, \$36,705,601. This is a 2.44% increase from this year's operating budget. Salaries and benefits represent \$719,422 of the increase. Increases in buildings and grounds, operating services, dues and fees and debt service and overall decreases in purchased services, supplies, and capital total \$175,256. Our net operating budget; however is a 3.43% increase due to a decrease in revenue of -16.20% reflecting \$301,553 less in projected revenue than this year. Every source of local, state and federal revenue has decreased with the exception of special education excess cost. The total net increase in next year's budget is \$1,196,231.

Superintendent's Proposed 2017 - 2018 Budget

Superintendent's Letter (cont.)

Key details in this proposal include:

An overall headcount decrease of 4.1 FTE
An addition of a math interventionist at the elementary level
An addition of a .6 Pre-K teacher
An addition of a .5 technology support staff
Continued 1:1 deployment of Chromebooks at Strong Middle School
Class sizes remain within Board of Education target class size limits
Development of a career center at CRHS
Expansion of pre-k programming
Capital improvements
Professional development and in-service training to support staff improvement

The creation of this budget represents the best of the 4C's: communication, collaboration, critical thinking and creativity. At every level of our organization there has been unwavering attention to 21st century thinking and problem solving to create the 2017-2018 proposed budget. Regional School District 13 is growing stronger every day.

Respectfully submitted,

Kathryn Y. Veronesi, Ed.D.
Superintendent of Schools

District Goals

- Student Achievement:** Improve student learning as indicated in District Performance Targets
- Well-Being:** Support and improve a culture of physical, social and emotional safety for all students.
- Engagement:** Increase student engagement in learning.

Superintendent's Proposed 2017 - 2018 Budget

Operating Assumptions for the 2017-2018 Budget

1. Include costs associated with employee contracts.
2. Assume a 65% funding of the Excess Cost grant that directly offsets services provided to high cost programs and the formula will remain the same for 2017-2018 budget.
3. Budget is based on class size guidelines:
 - a. K-1 18 students
 - b. Grade 2 20 students
 - c. Grade 3 22 students
 - d. Grade 4 20-24 students
 - e. Grade 5-6 21-25 students
 - f. Grade 7-8 22-26 students
4. Continue to implement the 1 to 1 device program at Strong and CRHS.
5. Meet all state and federal guidelines for students and comply with all generally accepted accounting principles.
6. Continue to review spending and implement cost saving opportunities wherever possible.
7. Include those necessary items to comply with the CIAC audit, Financial Audit Finding, NEASC, ADA compliance and State testing of our water system, as well as ongoing fire and safety compliance.
8. Budget tuition expense for students placed outside the district or students choosing to enroll in a Magnet School program is based on current knowledge. No additional funding is in place for new placements or school choice programs.

Superintendent's Proposed 2017 - 2018 Budget

READING THE BUDGET

Account Structure

The chart of accounts is structured as required by the state and federal governments for specific reporting purposes. Each sub account category is differentiated as follows:

CHART OF ACCOUNTS - CODING SYSTEM

FUND **OBJECT** **FUNCTION** **LOCATION**
X-XX **XXX** **XXXX** **XX**

GENERAL FUND	OBJECT	FUNCTION	LOCATION	DESCRIPTION
1-10	510	2700	91	Transp. - Reg
1-10	510	2700	99	Transp. - SPED
1-10	530	2410	92	Postage - CRHS
1-10	610	1101	94	Art Supplies - Memorial
1-10	624	2610	93	Fuel - Strong
1-10	735	2580	91	Software - District

Budget Format

The budget format presents the information by location and by object in summary and detail. The Budget Summary is then followed by a detailed budget totaled by object. The Budget Detail contains the line item detail that supports the summary.

Superintendent's Proposed 2017 - 2018 Budget

Instructional Services

The salaries displayed are based on the contractual obligations as negotiated between the individual unions. The teachers' negotiated contract resulted in a 3.07% increase. Total instructional salaries represent 43.8% of the expense budget. The District currently employs 195.6 FTE-equivalent certified staff members. The enrollment-based proposed changes are:

(2.0)	Elementary School Teachers
(2.0)	Middle School Teachers
(.5)	Music Teacher
(1.0)	Technology Integration Specialist
1.0	Math Interventionist
.6	Pre-K Teacher
.3	Literacy Tutor (Previously Grant Funded)
(3.6)	Total Reduction

Superintendent's Proposed 2017 - 2018 Budget

Support Staff

Non-certified support staff salaries represent 13% of the expense budget. This classification of employees is being reduced by .5 positions, due to enrollment. This budget includes the addition of a .5 technology assistant. The District currently employs 114.5 staff members.

The proposed changes are:

(0.5)	Teacher Assistant
(0.5)	10 Month Secretary
0.5	Technology Technician
(0.5)	Net reductions

Superintendent's Proposed 2017 - 2018 Budget

Benefits

Course Reimbursement	The amount budgeted, per the teachers' collective bargaining agreement, is \$40,000.
Health Insurance	As of July 1, 2017, Teachers, Administrators and most support staff must participate in the High Deductible Healthcare Plan (HDHP). Only the Food Service workers and Custodians still remain in the higher costing Preferred Provider Organization (PPO). Based on our claims history, we anticipate an 8% increase in our rates for next year. With respect to Workers' Compensation, we continue to strive for positive cost containment through our preventive safety and training efforts. This year we expect a 5% decrease in rates. Worker's Compensation insurance is provided by the Connecticut Interlocal Risk Management Agency (CIRMA) which services over 100 towns and Boards of Education in Connecticut.
Social Security-FICA	As an employer, we have an obligation to match our employee contributions to Social Security (6.2%) and Medicare (1.45%) for a total of 7.65% of payroll.
Pension	This item is directly driven by payroll increases of those permanent employees in the pension plan. An actuary reviews the fund balances and the requirements of the defined benefit plan and annually recommends the amount required to keep the fund fully funded for all employees participating in the plan.
Unemployment	The cost of unemployment is driven by staffing decisions and state guidelines. The projected expense is decreased due to a smaller reduction in force than the previous year.

Contracted Services

Instructional Service	The cost of services included here are: the athletic trainer for CRHS, district-wide physical and occupational therapists, homebound tutors, the District health official, and highly specialized consultation services.
Professional Development	Professional development is an essential component of building staff capacity. Twenty-first century learning necessitates changes in curriculum and instructional practices that support the development of students' creativity, collaboration, communication, and critical thinking skills. Professional learning includes formal, informal, and job-embedded experiences with the goal of enhancing teaching and learning. In the 2017-2018 school year, we will focus on building teachers' capacity and increasing student learning in mathematics. We will continue to enhance students' literacy skills through the use of the Readers Workshop Model that was implemented last year. In the area of technology, we will continue to provide training in using Google Apps for Education and support our Chromebook initiative. To comply with all federal and state mandates, training and development will be provided to staff.
In-Service	In-Service funds provide administrator and teacher support by outside consultants and experts. Services are often accessed through our local Regional Educational Service Center.
Curriculum	The courses of study offered by our district.
Professional Services	This category includes the District's legal, audit, security, and technology support.

Maintenance Services

Building and Grounds Services

An additional \$9,000 has been budgeted to reflect the increase service demands in aging buildings to keep them properly maintained. This account covers plumbing, electrical, boilers, sprinklers and generator repairs. In addition to pavement repairs, road sweeping and the cleaning of catch basins. Also, included is the cost of transferring Korn School which includes \$20,000 for surveying costs, legal fees estimated at \$25,000, and real estate transaction documentation and closing costs estimated \$45,000.

Snow Removal

We reduced this account by \$10,000 to reflect the decrease in expenditures recently experienced.

Building and Grounds Repairs

This account was budgeted with an \$11,000 increase to cover the increased cost to maintain and repair building systems and equipment through preventative maintenance to prolong their longevity. This account covers repairs to HVAC systems, building infrastructure, preventative maintenance, fire protection, security, cleaning equipment and vehicles.

Superintendent's Proposed 2017 - 2018 Budget

Transportation Services

Lease	Through Wells Fargo Bank, we lease 19 type I buses, one type II bus, and 4 vans on a 5 year lease.
Diesel Fuel	The market price has risen slightly from \$2.02 to \$2.05 per gallon for the upcoming budget year. This price has already been locked in for the 2017-2018 fiscal year through a multi-district purchasing consortium. 2015-2016 \$2.57 per gallon 2016-2017 2.02 per gallon 2017-2018 2.05 per gallon
Regular Education	Reflects the increased cost of the contracted agreement with Dattco Transportation.
Special Education	Two outplaced students were added this year for a projected total of eight next year. In addition, medical transportation services require additional funding.
Athletics	Reflects the cost of contractual increases and the need to provide additional student transportation.

Superintendent's Proposed 2017 - 2018 Budget

Communication

Advertising	This account covers the cost to cover the placement of ads for personnel vacancies and legal notices. We continue to minimize these expenses through the use of on-line communication, but are bound by statute to place certain notices in public newspapers.
Postage	We continue to use electronic notification wherever and whenever possible. The cost of mail services, such as Federal Express, UPS, and the United States Postal Service, continues to increase, as do some requirements for notification.
Communications	Included in this category are the costs associated with various forms of communication including data, phone, cable, security, and cellular at all five locations.

Tuition

Magnet School	Regional School District 13 students have the option to attend various magnet schools at a fixed cost to the district. Some of the magnet schools attended by our students include Thomas Edison Magnet School, Academy of Aerospace and Engineering and the Hartford Academy of the Arts.
Adult Education	This account covers services including GED, Basic Skills, ESL, and a credit diploma program and are available to all Durham and Middlefield residents through Middletown Adult Education.
Special Education	This account covers tuition for students with significant special needs who require highly specialized programming outside of the district. Increases in tuition are due to known student needs as well as anticipated increases in fees in current placements.
Vo-Ag	Regional School District 13 students have the option to attend the Middletown Vocational Agricultural School program.

Supplies

Classroom Supplies	This account covers supplies used in the classroom at all levels, which pertain to both general classroom support at the elementary level and specific subjects such as science, math, art, etc. at the middle and high school level.
Athletic Supplies	This account covers supplies to support all three seasons of the boys' and girls' athletic teams. This budget includes funds for a new pole vaulting mat (including tie downs, cover, and extensions), and a new high jump pad and cover.
Special Education	This account covers supplies used to support special education programs and services.
Health	This account covers supplies used to support the nurses' office in each school, Epi-pens, diapers, bandages, etc.
Curriculum	This account covers supplies used in the delivery of curricular programs. New in this account are supplies for the NGSS standards units.
Instructional Support	This account covers school supplies used in the support of school activities that are of a non-classroom nature.
Office Supplies	This account covers the cost of basic supplies needed for school operations including copy paper, writing supplies, envelopes, letterhead, etc. Included in this item are the supplies to operate the Central Office, Business Office, Special Education and Curriculum offices. We also budgeted a saving of \$7,500 due to the closing of Korn school.
Building and Grounds	Includes paper supplies, electrical supplies, uniforms, filters, hardware and cleaning chemicals, lawn and field supplies, sand, clay, playscape supplies, belts, motors, and general repair supplies

Superintendent's Proposed 2017 - 2018 Budget

Superintendent's Proposed 2017 - 2018 Budget

Buildings and Grounds Operations

Electricity	The district is part of a consortium that went to competitive bid. The prices for generation of electricity of .08013 and .09855 per kwh are paid to Nextera and we contract with Eversource for the transmission of the power. This account is expected to be stable until the competitive award runs out.
Bottled Gas	We have entered a contract with a new vendor and expect the resulting lower price to save an addition \$4,000 next year.
Heating Fuel	The district is part of a consortium that went to competitive bid. We have locked in at \$1.97 per gallon for number 2 oil for the 2017-2018 school year.
Gasoline	Gasoline prices remain low and we anticipate that we can lower the budget further down to \$5,000.

Superintendent's Proposed 2017 - 2018 Budget

Textbooks

Superintendent's Proposed 2017 - 2018 Budget

Equipment

Capital Programs	Equipment to support programs with an expected cost in excess of \$5,000. These programs may be in support of state or federal programs such as ADA, public water supply, etc. Additional items are required to support the safe ongoing operation of our facility.
Technology Hardware	The increase is due to the implementation of new laptops for Special Education staff and new interactive technology that lets us use regular white boards in a similar manner as SmartBoards, replacing end of life iPads at Brewster, Lyman, and Memorial, as well as continuing our implementation of new model document cameras across the district.
Misc. Hardware	Increase due to adding more Wireless Access Points to increase coverage at Strong for the anticipated 1:1 Chromebook program as well as filling in gaps in coverage at Coginchaug.
Software	All district software licensing cost for administrative and educational purposes. Copyright law requires that each device has the appropriate licenses for the software installed on each device. The increase is due to the now annual cost of the CAD, Architecture, and Adobe Suite of software used by Coginchaug (formerly one time purchases or bi-annual), as well as the general yearly cost increases of software.
