

A YEARBOOK TELLS OUR STORY....

The time is here, once again, to order your John Lyman School Yearbook for the class of 2009-2010 school year! Our John Lyman Yearbook features the entire student body. The yearbook will have over 40 pages that will include individual student pictures along with pictures of clubs and different activities and events that have been happening at John Lyman throughout the school year. It will also feature a section called “ZOOM”, which is a special insert reviewing the year’s national events including news, sports and entertainment. Again this year, we will have a special section for our “graduating” 4th graders.

The deadline for ordering your yearbook is March 30th, 2010. The cost of the yearbook is \$16.00. Checks can be made to John Lyman Activity Fund. Please see the attached flyer to send in your order.

We can not guarantee that we will have any extra yearbooks available to purchase at the end of the school year. Therefore, if you are interested in a yearbook, now is the time to order. We want everyone to have a keepsake of events that make John Lyman School and the school year special, so please order yours today!

******I am still in need of any candid photos of John Lyman School related activities. Please send any pictures that you may have from concerts, weekly assemblies, field trips or class room activities. I will do my best to use them in the yearbook. Again, please note that the photos can not be returned to you. A yearbook picture envelope is located in the office. I have a deadline of March 12th, 2010 for candid pictures.**

If you have any questions concerning the yearbook, please feel free to contact me at 860.349.3240 or dscozzari01@gmail.com.

Thank you for all your help!!!!
