

Emergency Closing
School Year 2011-12

Dear Parents,

Welcome back to another school year. I want to remind you of the following emergency closing procedures. Please know that whenever a school cancellation or late opening is necessary, I will make every effort to contact area radio and TV stations as soon as possible. The stations designated to make the announcements for Regional School District 13 include: 1080AM WTIC, WFSB channel 3, WVIT channel 30, WTNH channel 8. **The District also uses the Everbridge Notification System to notify parents of school closings, delays and emergencies. I encourage you to sign up for this service. When the District issues a message, the RSD13 Alerts Emergency Notification System will deliver the message to your home phone, cell phone, text message or email. You decide how you want to be contacted. If you select more than one option you will be contacted in the order you select. Please note that if you provide a home phone number you could receive a call as early as 4:45am for school closings or delays. Please think carefully about the options you select. The success of the service relies on you. Having your latest contact information is the only way to ensure that we can contact you in an emergency. To provide us with your information please go to <http://www.rsd13ct.org/emergency.html>.**

If you have already signed up you do not need to do so again. If you are new to the system we ask that you sign up by September 16, 2011.
