

IT'S A GOLD PARTY

TO SUPPORT TROOP 270!

But first, what is a gold party? To put it simply, you bring in anything that's made of gold, silver, or platinum that you don't want anymore and an experienced American Diamond Importers associate will sort through it and make you an offer for TOP DOLLAR. You can either turn it down, or walk away with a check in your hand. Either way, you'll have some fun!

Don't know what to bring? How about class rings, old rings, broken jewelry, single earrings, unwanted gifts, gold watches, twisted chains, old pendants, charm holders, even gold teeth!

Visit us at GoldPartyUS.com for more ideas and information!

Old, worn out, out-of-date, good, bad or just plain *ugly*, turn your **Gold** into **CASH!!**
