

Winter Celebration!

On Tuesday, December 13th, John Lyman Elementary School will present the annual winter concert. The performance will feature the third and fourth grade chorus and the debut of our newest musicians... our kindergartners!

There will be two performances. The first will begin at 2:15 P.M. in the auditorium. While this concert is mainly for the members of the school community, we do encourage you to have grandparents and extended family attend the afternoon show, as space will be limited in the evening.

The evening performance begins at 6:30 P.M. in the John Lyman School auditorium. Students should arrive at the school at 6:15 P.M. Members of the third and fourth grade chorus will meet in the music room. The kindergarten students will meet in their classroom. Students should dress nicely for the evening concert. Girls should wear a neat top with a skirt or slacks. A dress is also acceptable. Boys should wear a neat pair of slacks and a shirt with a collar. Students should feel free to wear festive colors that represent the season. Please avoid wearing sneakers or jeans to the evening performance. Lastly, we ask that students leave their coats or jackets with their parent/guardian during the concert.

The concert will last roughly one half hour. Please understand that every student is important to BOTH performances and is expected to attend each show.

If there are any questions or concerns, please contact me at the school or e-mail me at mmeurs@rsd13.org. I will promptly return your call or e-mail.

Thank you,

Michael Meurs
Music Teacher
