

## GO Far District Wide Race Committee Needs Volunteers!

While the fields may be covered in snow or mud, we are getting ready for a spring community wide running event. This event will be held in June. We need volunteers to make this race a success. You do not need to know anything about running or racing to be on this committee. We are currently securing a safe, closed circuit course to ensure a safe event for children. Help bring our community closer one mile at a time.

Please join us for an initial meeting on  
**Thursday, January 28 at the Durham Library at  
7:30pm.**

If you have any questions feel free to call  
Jennifer Schulten at 860-781-6669 or email at
