

Dear Parents,

John Lyman Elementary School is once again registered as a designated school in Stop & Shop's A+ program. This means that if you register your regular shopper's card, the John Lyman Parents Association earns money to help the school.

-----This does not change your grocery bill or gas points at all. All you have to do is -

**Log on to [www.stopandshop.com/aplus](http://www.stopandshop.com/aplus) to register online**

*OR*

Dial 1-877-275-2758 to register your card over the phone

-----If you have trouble registering your card on-line or over the phone, you can register your card at the customer service desk. It only takes a few minutes.

-----If you registered your card last year, you do have to register again for this year.

-----You can register for multiple schools, as long as those school are signed up for the program.

-----Family members and neighbors can also sign up to benefit John Lyman Elementary School. You do not need to have a child at the school to designate it.

-----The points add up no matter which Stop & Shop you use.

Yearly, the JLPA has received more than \$400 from this program at no cost to the parents. It would be great if we could top that this year.

If you have any questions, feel free to contact me.

Thanks,

Mark Dionne
