

Strong Daily Announcement

March 10, 2010

- **Student Council:** The Pennies for Patients "Race for the Pizza", I mean "the cure", just got more interesting!
Mrs. Penney's homeroom leaped into the lead with a total of \$169 dollars and 31 cents! That's a truckload of pennies! Mrs. Smith and Mrs. Halliwell's homerooms are in second and third place on the red team. On the Blue team, the lead still belongs to Ms. Bauchman's room, but Ms. Bichun's homeroom is close behind.
The Green team might surprise us when we count their pennies on Friday, so get ready to make your own pizza, red team!
Bring in your pennies and other spare change and we'll reach our goal! We need about \$50 dollars to make \$500!
The Student Council will meet today to finish counting the coins for the rest of the red and blue teams' donations.
