

Strong Announcement

February 4, 2008

- Yearbook: Yearbook staff meeting on Wednesday, February 6th until 3p.m.
- Greater Hartford Academy of the Arts is holding an Open House on Tuesday, February 5th at 7 p.m. for interested 8th grade students and their parents.
- VINAL Tech High School will be having a guided tour of their school and programs on Wednesday, February 6th from 9-10a.m. Please call Vinal to make a tour reservation.
- Math Club: Congratulations to the Math Club competition team for their outstanding effort at Yale University on Saturday. Big congratulations to Kevin G. for being one of eight finalists out of over 110 students to move on to the State Competition.
- EDGE students: Please sign up outside the guidance office if you want to go into flex classes next week to talk about yellow ribbon week. Yellow ribbon is a Suicide Prevention Program that was founded in 1994 by the parents of a teenage boy who took his own life when he was at a low point in his life and did not know the words to say, or how to let someone know he was in trouble. The program provides kids with a Life Line Card that they can use when they are troubled. Without saying a word, they can hand the card to a friend or trusted adult and help will be provided.
- Service Club: Looking for the perfect Valentine gift? Look no further, the Service Club will be taking orders for Valentine candy grams during lunch waves from Tuesday, February 5th thru Thursday, February 7th in the cafeteria. Candy grams will be \$1.00 each and will be delivered on Valentine's Day during lunch. Valentine healthy grams will also be available for purchase. All the money will go towards Service Club projects.
- Graphic Design Art Club group will meet on Wednesday until 3:30.
