Superintendent's Report

Dr. Perlini updated the Board about the issues that were brought up in the Public Comments of October 9, 2013. The NEASC report information release time was given to the parent. NEASC will send a cover letter in November stating the recommendations. The report has to be voted on by the Association and then it will be released.

The question about magnet school credits is still being explored. We have asked for the course descriptions and we will try to match their courses to our courses for credit consideration. We are still investigating and gathering information from other districts.

The issue of bullying, recess and documentation of health records is also still being reviewed. We have already had a couple of meetings. Parents will be receiving correspondence in the next couple of days. They gave some good suggestions and we have added staff during recess.

New Business

Motion to approve the Field Trip Request to the New England Music Festival on March 20-22, 2014 made by Mrs. Adams, second by Mr. Fulton. Vote: Unanimous.

Mrs. Adams asked if there was a list of regular field trips that are voted on every year.

Mrs. Flanagan said that the Board didn't vote on the "standard" field trips earlier in the year.

Dr. Perlini said that administration will try to put the regular field trip approvals in one memo.
