

REGIONAL SCHOOL DISTRICT 13

ENGAGE • EMPOWER • THRIVE

To: Vinal/Voag Parents and Students from District 13
From: District 13 Bus Coordinator
Re: Inclement weather
Date: November 8, 2021
cc: Dattco Bus Company
Vinal Technical School
Middletown High School

Inclement weather days are challenging for every school district but especially difficult when dealing with students at schools in other towns. To assist in any questions that may arise regarding bus transportation to Vinal Tech and the Voag program at Middletown High School, we have developed a plan for inclement weather scenarios that may occur:

- **District 13 - School Canceled / Middletown - Regular Full Day:** Bus transportation will not be provided to Vinal Tech or to the Voag program at Middletown High.
- **District 13 - Regular Full Day / Middletown Schools - Delayed Opening:** Vinal/Voag buses will run at their regularly scheduled time. Students will be brought to Coginchaug High School where they will be supervised in the library until after District 13 buses complete their elementary bus routes. Vinal/Voag students will then be transported to Middletown at the delayed opening time.
- **District 13 - Delayed Opening / Middletown Schools - Delayed Opening:** Vinal/Voag buses will run on a delayed schedule.
- **District 13 - Delayed Opening / Middletown - Regular Full Day:** Vinal/Voag buses will run on a delayed schedule.

Thank you for your understanding and cooperation.
