

REGIONAL SCHOOL DISTRICT 13

ENGAGE • EMPOWER • THRIVE

The district has established COVID-19 mitigation protocols that both students and staff are expected to follow. Please find below an attached link to several videos that we would like you to watch. These include:

1. An introductory video by HR Specialist, Kevin Brough, describing basic mitigation procedures in all schools.
2. Three additional short videos presented by the National Association of School Nurses - these videos will provide information relating to students that might be informational to you.

We are also providing a second link asking you to indicate, by signing off, that you have watched each video and understand the basic protocols in place at each school in the district.

Once again, thank you for your support and willingness to serve as a substitute in Regional School District 13. If you have any questions, please contact Kevin Brough, at 860.349.7200 or kbrough@rsd13.org.
