

Good Apple Award
(With a core of ethical values)

The purpose of the Good Apple Award is to acknowledge and celebrate members of our school community who exemplify the core ethical values of respect, responsibility, honesty, kindness and courage and in so doing strengthen our community and inspire others through their example.

Nomination forms are available online and can be submitted at any time throughout the year, but must be submitted by June 1st for recognition at Convocation in August. Good Apple Award submissions will be reviewed by the Central Office Administrative team. People who are selected will be acknowledged at Convocation and have their picture and the narrative from the nomination displayed on the district website for the year.
